Message from Mr. Bruce Heckman

Hello, I'm *Bruce Heckman* and at this time of my life I am in need of a kidney transplant. I am a Navy Vietnam Veteran who served my country honorably in a time of war, a husband, father and grandfather. If anyone has the generosity in their heart for donating a gift to prolong my life, I will be forever grateful.

My greatest wish is to be there for what comes next for those in my life.

Please call 717-501-4605 or email bheckman551@comcast.net to leave your personal information.

Heartfelt thanks!
Bruce
