Brothers and sisters in Christ Jesus,

As we continue to face the never-ending changes to our lives because of the Coronavirus pandemic, our Christmas worshipping season at Trinity can also be counted among those things disrupted.

As you may be aware; we have cancelled our in-person Advent Noonday worship services, as well as our in-person Blue Christmas worship service.

In place of our Advent noonday services, we have been recording a series of daily Advent Devotional readings (used by permission from the North American Lutheran Church and created by Bishop Rev. Dr. Daniel W. Selbo; and Associate to the Bishop Rev. Dr. David Wendel, both from the N.A.L.C.). We will also be recording a virtual Blue Christmas service in the very near future.

Both the Advent Devotional videos, and the virtual Blue Christmas service (upon its completion) can be found on Trinity's YouTube channel. This channel can be accessed directly by typing Trinity Lutheran Church Pottsville PA on YouTube, or by scrolling to the very bottom of our website (<https://trinitypottsville.com/>) and clicking on the YouTube icon/link.

However, the big question is how will the virus continue to affect our weekly worship services as well as that of our Christmas Eve services?

To date, our plans are to make no changes to any aspects of our weekly Saturday evening or Sunday morning worship services. However, this is always under review based upon the health environment around us and subsequent recommendations that come from the various agencies.

Our plans and decisions, which have always taken into consideration the safety and wellbeing of all our members, their families, and our guests; have always been our very first and highest priority! We have, since our reopening for worship back on the weekend of July 11-12, followed CDC guidelines and recommendations (including social distancing, mask wearing within the sanctuary and church building, hand sanitizing, and temperature taking), and we will continue to do so for everyone's safety!

In addition, we currently have our Christmas Eve services scheduled for Thursday December 24th at 5PM, 7:30PM, and 10PM. However, there are a number of changes that are being made to these services.

For safety purposes, we have had to limit, socially-distanced-wise, the number of people permitted in our building for each service. Currently we are permitting only 80 people as a maximum into the sanctuary for each individual Christmas Eve worship service. As we are accustomed to having hundreds of worshippers within our sanctuary on Christmas Eve for each service, the social-distancing aspects of our lives unfortunately will make our traditional Christmas Eve worshipping an impossibility this year.

We have been in the process of investing in updated technology for the future of our congregation, which we fully hope and intend to have in place for our Christmas Eve worship services, however, as with any large projects being undertaken, this could possibly be delayed. But that aspect is secondary to our Christmas Eve services themselves.

This technology will enable us to live-stream our Christmas Eve worship services into our Main Sunday school room, as well as Trinity Hall. In both these locations, within our worship building, we can safely accommodate an additional 60 individuals each, thereby bringing our worship attendance possibilities closer to our normal 200+ average for each worship service. However, we realize this may be an inconvenience to some as you may not be able to worship in the sanctuary itself.

The purpose for this technology is to provide you, our members, an opportunity to worship in-person for Christmas Eve as best we can, and still maintain an environment that takes into consideration everyone's safety!

It is also our hope that this digital technology will be available for Christmas Eve that you may be able to worship with us from the safety of your own homes as well, if you feel at all hesitant to attend worship in person. At the very latest, we would hope to have our Christmas Eve worship service available to view on our website (as has been the case with our weekly worship services) as close to Christmas Eve as possible.

Again, we realize this is an inconvenience, however, the Coronavirus has indeed dictated changes into many aspects of our lives for almost a year now.

As a result, we have been taking "reservations" for our Christmas Eve services and ask that you please contact the church office (570-622-9910) with your name, number of individuals you may have in your Christmas Eve party for worship, and the service time you would like to attend.

We regret having to make these types of decisions and accommodations for Christmas Eve, however, as we all realize, 2020 is a year unlike any other for almost a century.

Having said all that, we must also address the possibility that even more change could befall our worshipping opportunities; on a weekly basis as well as Christmas Eve services, and those thereafter (Lessons and Carols, etc.), and into the new year. In the midst of reviewing the environment around us, there could also be the possibility of altering our Christmas Eve worship service times as well as the possibility of altering the number of services as well.

As we continue to review the Coronavirus environment around us, should there be any need, decisions, or imposed demands that cause us to have to alter, or regrettably, cancel our worship services, we will indeed, and in fact communicate any and all such changes with everyone just as we did earlier in the spring this year.

As such we invite you to please stay tuned to Trinity's website, our Facebook page, our YouTube channel, the local radio station, local TV announcement channels, our newsletter, our phone chain (as was also implemented in the spring), the Pottsville Republican Herald newspaper, and as always, your ability to contact the church office (570-622-9910) for any changes, cancellations, etc., to any of our worship services or church schedule in general going forward.

I realize this is still a very unsettling situation and set of circumstances, and along with you all, we pray that a quick emergence from this wretched virus and its disruption to our lives occurs sooner than later.

On behalf of the entire staff at Trinity, and our Church council; we wish you all a very merry, blessed, healthy, and safe Christmas, and a very Happy New Year!

Thank you for your attention and patience in all things 2020 here at Trinity Lutheran Church.

Peace be with you all!

A prayer from Pastor Chris

Most gracious and loving God, Advent brings much to our minds, especially this year. We have prayed long and hard for loved ones, friends, and even strangers all across this tiny planet we call home. This burden seems too much at times. We are in desperate need of hope, of peace, of something to look forward to as we continue our socially distanced journeys in the darkness this year has brought to us. We feel we are not only separated from one another; we have been separated from our own lives. As Advent is upon us, we look to Your promised coming on Christmas Day. We look for Your return, anew, to help us find light; to help us find hope, peace, and comfort. In the season of Advent, we know the grace, love of mercy given to us at Easter begins it's journey, and so we can confidently find our hope, find our faith, and find the light to a new tomorrow, trusting in Your promises to deliver us once more. In Your most Holy and Precious name, we pray! **AMEN +**

something NEW...

In addition to the worship service technology upgrades we are embarking upon (as noted in my main newsletter article), there is also, through the considerable contributions of families, and via memorial contributions, a new memorial account that has been created for the express purpose of updating Trinity's Carillon technology (*Rismiller Memorial Carillon Fund*).

A Carillon is digital/technological instrument housed in the bell tower of a church and is connected with digital programming apparatus and used in conjunction with a keyboard or organ to play hymns, bells, chimes, etc., that can be heard within a community setting (much like the bells that ring before Trinity's worship services). This new technology will also enhance our worship experiences.

**AS WE CONTINUE TO RESPOND TO THE CHALLENGES OF THE CORONA
VIRUS PANDEMIC,**

NEW GUIDELINES

1. Everyone will have their temperatures taken upon arrival at the church.
2. Masks must be worn when entering, during the service and exiting the building; hand sanitizer and masks will be made available.
3. We will use the Third Street entrances only - both the Third Street main entrance and the Third Street handicapped ramp entrance. There will be no entrance off the parking lot by the office.
4. The bathrooms in the lounge will be the only bathrooms accessible.
5. We would limit the service to approximately 60 to 65 people, to maintain social distancing guidelines.
6. Pews would be closed off and markers be placed on acceptable seating areas. Pews would be filled front to back. Ushers will help seat people to the available seats.
7. Hymnals and all other touchable items will be removed from the pews.
8. Offering would be placed in baskets at the back of the sanctuary.
9. Bulletins would be made available, but not be collected at the end of service.
10. Pews and traffic areas would be sanitized after each service.

We want to make sure we have a plan in place so that everyone can feel safe coming back to church. Thank you, and continued peace be with you all!

Help me, Lord my God.

Psalm 109

PRAYER OF THE BROKEN-DOWN

Dear Father in heaven, I'm not a praying man, but if you're up there, and you can hear me, show me the way. I'm at the end of my rope." That prayer is whispered by a broken-down George Bailey, the character played by Jimmy Stewart in the classic film *It's a Wonderful Life*. In the now iconic scene, Bailey's eyes fill with tears. They weren't part of the script, but as he spoke that prayer Stewart said he "Felt the loneliness, the hopelessness of people who had nowhere to turn." It broke him.

Bailey's prayer, boiled down, is simply "Help me." And this is exactly what's voiced in Psalm 109. David was at the end of his rope: "poor and needy," his "Heart. . . Wounded" and his body "thin and gaunt". He was fading "like an evening shadow" and sensed himself to be an "object of scorn" in the eyes of his accusers. In his extreme brokenness, he had nowhere else to turn. He cried out for the Sovereign Lord to show him the way: "Help me, Lord my God"

There are seasons in our lives when "broken down" says it all. In such times it can be hard to know what to pray. Our loving God will respond to our simple prayer to help.

When was the last time you felt broken down by life?

If you have a family member or friend who currently feels that way,

How might you help?

Dear Father, some days are hard. They feel hopeless. Turn my heart to You in my brokenness. Give me strength to simply ask for help.

Dear Brothers and Sisters in Christ,

As Church Council President here at Trinity, I need to discuss an urgent matter with you today. I hope you are all doing well during this difficult time. No one could have imagined back in January when we first heard about Coronavirus, that we would still be dealing with it in late October. We all assumed after a few weeks that it would be over, and we could get back to our normal lives. We certainly never thought that we would see Trinity close down like we did in March. It seems like we're all getting accustomed to new "first" in our lives.

When the decision was made to reopen in July, we were aware that not everyone would be comfortable coming back to Church. That's why the option of broadcasting a taped version of our service was offered, so people could view from the safety of their own residence. Based on the number of people attending service in person, most of us are still not coming to Church in person yet. We have taken every precaution to assure the safety of everyone who attends. Everyone has their temperature taken before they enter the building. Pews are marked to assure social distancing, and masks are required to be worn at all times.

Even with all these precautions, we understand the need to feel safe. That's why we encourage folks to worship with us using the digital platforms we have available. Whether it's YouTube, Facebook, the Church's website, or the radio ministry.

Now here comes the issue. Remember the saying "out of sight out of mind?". While folks are not yet returning, the work of the Church goes on. And to continue to do God's work here at Trinity, we still need your support. Our giving, year to date, is well below what is needed. We understand these are trying times for a lot of us, but please remember to keep up with your offering whenever possible. You can drop off your envelope at the Church office, or mail it in. There is also an electronic option on the Church's website. We all look forward to the day we can worship together. The coffee and doughnuts will be ready. Until then, please be safe and have faith that God will see us through this difficult time.

Sincerely,
Ron Brennan
Church Council President

Christian Education

Our **Adult Sunday School** class meets in the Main Sunday school following worship. Any adult wishing to join this group, is more than welcome! The class works on a teacher rotation and has a reputation for some lively faith conversations! You may call the church office for more information.

Confirmation and First Communion Classes are heading to their Christmas break and that means we'll resume classes on January 3, 2021.

Many thanks to our youth and adults are in order:

- Our youth created and decorated trees for the Mason's Christmas Gala. We were just notified that our tree was the "favorite" of those who visited! Many thanks to youth and parents for pitching in to help with this endeavor.

- Thanks to our youth who are participating in our Advent Readings: *Tyler Sibbett, Nick Sukeena, Owen Gretskey, Leah Walasavage, Owen Rossachacj, Chelsia Thomas, Breanna Thomas, Matthew Angelo, Noah Clancey, Michael Clancey, Maddy Thompson, Michael Stank, Donnie Moyer, Emily Roth and Ryan Grube*. Thanks also to *Dave & Helen Walasavage, Dana Sukeena, Kay Rossachacj, Jean Angelo, Melissa Heckart, Andrew Clancey, Moyer Family and Roth family* for volunteering as Advent Candle Lighters. We really appreciate your help and always enjoy having our young people participate in worship! Many thanks to *Tyler Sibbett* for recording all Advent Readings for our online worship.

Our confirmation youth received Advent Wreaths and a devotional for each family. Kids were asked to decorate their wreaths and we would like for them to send a picture of their finished wreath. We'll "show them off" on our Facebook page. Many thanks to *Sue Morgan, Aimee Eckley and Faith Eckley* for their help in this project.

Virtual Sunday School is picking up steam for youth in grades K - 3. Our teachers, *Mary Weikel, Des Weikel (and Ben!), Ashley Forney and Maddy Thompson, Melissa Heckart and Michael Clancey and Jamie and Olivia Whitaker* came out on December 6 to distribute material and for an opportunity for our kids to "meet" our teachers. If you wish to register your child for this experience, we have a link on our website for registration. It's never too late to register! Many thanks to our teachers and organizers, Sue Morgan and Aimee Eckley.

Any questions or concerns pleased call
