RE-CREATION

THE SACRED PROGRAM

Re-Creation began in 1976 when Hugh Brooks, the founder of the group, was an instructor at the Pennsylvania State University. While visiting practicum students, he realized that very few institutions have opportunity to benefit from the therapeutic value of live professional entertainment. Concerned, he organized **Re-Creation** to offer this service to state centers, prisons, hospitals, nursing homes, and other care facilities.

Entertainers were enlisted, and **Re-Creation** immediately began institutional performances in Pennsylvania. Within a very short time **Re-Creation** was asked to tour for the USO, and Veterans Affairs Medical Centers were added to the schedule.

Re-Creation assumed full responsibility for the national VA program in 1983, and since then has attempted to raise the necessary funding to present shows for Medical Centers nation-wide.

Re-Creation now presents more than 150 shows yearly in VA Medical Centers and State Veterans Homes in all 50 states.

The young people in **Re-Creation** are not paid for their service. They give up at least a year of their lives to travel the country entertaining the men and women in our Veterans Homes and Hospitals. Arriving at the veterans' facilities four hours before show time... they set up...change into costumes...and visit hospital rooms and wards. Then they assist patients to the show area, perform for them, visit and sign autographs, pack up and load equipment, and drive on, averaging 300 miles a day...

The Freedoms Foundation at Valley Forge cited the young people of Re-Creation as "**America's Ambassadors to Hospitalized Veterans**" for providing the only program of its kind in America. Institutional entertainment sponsored by **Re-Creation** is more than a show, it is a unique, caring, personal touch which... - transports concerned, dedicated, and talented young people into hospital wards and rooms. - reaches out to patriots who think they have been forgotten by their country. - and offers a therapy that medical personnel acclaim as an invaluable contribution to the healing process.

Re-Creation USA, Inc. is a non-profit corporation, now under the direction of Jay and Mary Muller.

Re-Creation provides more than 300 shows annually in all 50 states. The group has performed for the President of the United States, as well as other leaders and dignitaries.

THE SACRED PROGRAM is designed as a worship service and features both traditional and contemporary styles, sing-a-long hymns and children's songs, dramatic works and original music. This year's program, "**SHINE**" is a live worship experience unlike any other! Dynamic vocal blend combined with a lively, yet sensitive state-of-the-art sound...Tasteful, appropriate presentation... Light staging / Fun elements...Congregational participation...Biblically referenced songs!

Re-Creation operates on a free-will offering for church programs. This offering is taken during the program and due attention is given to the group members' missionary status (they are all volunteers) and the organization's continuing dedication to minister to the sick and needy. Most churches offer the group members a meal.

STATEMENT OF CONGREGATIONAL MISSION

TRINITY LUTHERAN CHURCH

Trinity Lutheran Church is a worshipping, learning, witnessing, and serving community of baptized Christians. It is a welcoming place where the Word is proclaimed and the Sacraments are celebrated according to the Gospel. As a community of believers, we challenge each other to respond to the call of our Lord to love and minister to persons at home and throughout the world.

We encourage each other to share our time, our talents, and gifts to further the mission of our Lord Jesus Christ. In these ways, we bear witness to the love we have first received from God through Jesus Christ.

THE VARIETY SHOW

(SANCTUARY)

Re-Creation began in 1976 when Hugh Brooks, the founder of the group, was an instructor at the Pennsylvania State University. Within a very short time Re-Creation was asked to tour for the USO, and Veterans Affairs Medical Centers were added to the schedule. Re Creation assumed full responsibility for the national VA program in 1983.

Re-Creation now presents more than 320 shows a year. Half of those shows are staged at fairs, banquets, conventions, schools, churches... which in turn fund the other half...more than 150 shows annually in VA Medical Centers and State Veterans Homes in all 50 states!

Therapeutic entertainment by Re-Creation is more than a show; it is a unique, personal touch which...

- offers a therapy that medical personnel attest is an invaluable contribution to the healing process.

Re-Creation USA, Inc., is a non-profit corporation now under the direction of Jay Muller.

Re-Creation's 47th edition presents **"ROCKIN IN THE USA!"** -- a grand celebration highlighting the most popular American songs of all time! And every show includes rousing Patriotic music...in honor of America's hospitalized veterans and troops!

Young, talented, performers who captivate audiences of all ages! A magical program that transforms the stage into a wondrous showplace of unforgettable entertainment! Colorful, flashing costumes...state-of-the-art sound reinforcement...professional, stylized choreography.

Re-Creation presents programs at fairs, banquets, conventions, schools, churches, and many other events. The group has performed for the President of the United States, as well as other leaders and dignitaries.
